### FEATURED TRAINING:

**Panopticon Investigative Research**

**Online Investigations Training**

July 26 from 8am to 5pm

This 8 hour course provides tactical and practical instruction for day-to-day investigators on how to leverage the expansive grown content online to support an investigation.

Topics include: Evidence Collection, Ghost Accounts, Identifying Subjects, Online Sales, Social Media Monitoring, and more.

Bring a laptop! Attendees will be able to practice the tactics in real-time.
